DETAILED ACTION

REASONS FOR ALLOWANCE

Claims 1, 3-4 and 7-8 are allowed.

The prior art does not teach or suggest a solid electrolyte including all of the claimed features. The most pertinent art includes Birke et al. (Electrochemical analysis of thin film electrolytes and electrodes for application in rechargeable all solid state lithium microbatteries, Electrochemica Act a.Vol. 42, Noso 20-22, pp. 3375-3384, 1997).

Birke et al. do not teach or suggest a solid electrolyte represented by a general formula:

 $Li_xMO_vN_z$,

where M is at least one element selected from the group consisting of Si, B, Ge, AI, C, Ga and S, and x, y and z respectively satisfy x = 1.6 to 2.0 or 4.6 to 5.0; y = 2.050 to 2.985 or 3.050 to 3.985, and z = 0.01 to 0.50. As claimed by Applicant in claim 1.

For these reasons, the claims are allowed over the prior art. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Application/Control Number: 10/553,238 Page 3

Art Unit: 1795

Such submissions should be clearly labeled "comments on Statement of Reasons for

Allowance."

Any inquiry concerning this communication or earlier communications from the

examiner should be directed to Ben Lewis whose telephone number is 571-272-6481.

The examiner can normally be reached on 8:30am - 5:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's

supervisor, Patrick Ryan can be reached on 571-272-1292. The fax phone number for

the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the

Patent Application Information Retrieval (PAIR) system. Status information for

published applications may be obtained from either Private PAIR or Public PAIR.

Status information for unpublished applications is available through Private PAIR only.

For more information about the PAIR system, see http://pair-direct.uspto.gov. Should

you have questions on access to the Private PAIR system, contact the Electronic

Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a

USPTO Customer Service Representative or access to the automated information

system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
